

Mold Town Plan 2017 - 2030

Mold Town Council, in Flintshire, adopted this highly professional Plan in April 2017. Working with Flintshire County Council, Mold Town Council wanted to prepare a Town Plan that brought together a variety of objectives from previous consultations and studies. The Town Plan sets out a vision for the future of Mold and its development

and provides a framework for the Town Council. It addressed a wide range of issues, including future housing growth. The Town Council achieved their aim of drafting a Plan that could inform projects for the town as well as informing the Planning Authority's (Flintshire) Local Development Plan.
